**Subject:** RE: TAGs and S. Weber Briefing for Martin and Sandy

Hi Noah,

With the change in time I'm not sure some of the key people are available to meet this afternoon that probably should be available for this meeting. Both Rob and Jasmin will be in Canon City for a Lincoln Park meeting that's at the same time as this. I'm not sure about others as well. If Martin wants to we can go ahead and meet that's fine but there won't be anyone available to speak specific to the site should he have questions about the site itself. Since we've met with Martin once before and this is more focused on our TAG process maybe it's fine.

We are on Shaun's calendar for next Thursday so need to meet with Martin before then.

Let me know if Martin is fine with this, or Martin, chime in. Libby
